IT IS RESOLVED, that this meeting be interrupted to hold a Public Hearing advertised and scheduled for this evening at 7:00 P.M.

PUBLIC HEARING – PROPOSED AMENDMENTS TO TAX EXEMPTIONS
Public Hearing was called to order at 7:00 p.m.

A legal notice was printed on February 26th, 2013 in the Glens Falls Post Star with a copy of said notice posted on the Town Clerk’s bulletin board on February 26th, 2013. The contents of that legal notice were read into the record.

Supervisor Geraghty opened discussion explaining that the town has been at $12,025.00 for a long time, last year the county raised their exemption from $24,000.00 up to $32,400.00. Supervisor Geraghty said he brought it to the Board’s attention last year that Warrensburg is one of the three low end towns in the county, most of the sliding scales range anywhere from the $29,000 in the Town of Queensbury, $21,500 for Bolton, $18,000 for Chester, $17,500 for Glens Falls, $18000 for Hague, $18000 for Horicon, $12,000 for Johnsburg, $18,500 for Lake George, $18,000 for Lake Luzerne, $18,000 for Stony Creek, $12,000 for Thurman so that is why this was brought it to the Board’s attention the hearing tonight is to increase it up to $18,000 and a fifty percent exemption. Supervisor Geraghty said he would like to go to a sliding scale; that is just his opinion.
Supervisor Geraghty asked if anyone from the public wished to speak on the Senior Exemption. No one commented. Supervisor Geraghty asked the Town Board for their questions.

Councilperson Alexander – asked Greg Klingler, Assessor how it worked on the sliding scale when people do come in to prove their income.

Mr. Klingler – explained income is proved by giving the Assessor the last years’ IRS, then the income is put into that bracket, whatever they qualify for.

Councilperson Alexander asked if the sliding scale would be a fairer system.

Mr. Klingler said it would seem so because that is what everyone else is doing.

Councilperson Rounds – said that if the Town goes under $18,000 that would mean the sliding scale will be adding $8,400.00 to $18,000.00, which actually brings the Town to $26,400.00, so a person making $26,400.00 will be eligible for a five percent; then it goes down from there. Councilperson Rounds added that he is in favor of the sliding scale to incorporate that many more people, it comes out to pennies.

Councilperson Reed – told the Town Board that this is like a one percent increase to the other tax payers in order for a senior to stay in their home; a hundred thousand dollar house would be $10.00 more, one percent of that. Councilperson Reed said the Town is not looking at an increase in the tax of one to two hundred dollars increased in the tax base.

Discussion ensued on the towns’ value and the fact that the increase would be less than one percent of the town’s value.

Councilperson Baker Marcella said she wanted to know what the lady sitting next to the lady who does not get the exemption has to pay. Councilperson Rounds said people who are outside the realm would end up paying about $.04 per thousand, by his calculations.

Supervisor Geraghty explained if it is a $100,000.00 house it would be $4.00 and if it is a $150,000.00 house it would be $6.00, a $200,000.00 house would be $8.00.

Councilperson Rounds said it would be a very minimal amount spread out among the rest of the taxpayers, which would be around $12,000.00 according to his figures.

Councilperson Baker Marcella said this was exactly what she wanted to know. Councilperson Baker Marcella said her concern was that there would be seniors
who will not benefit from this and they will have to pick up the increase, what ever it is. Councilperson Baker Marcella said that along with the seniors there are a lot of single head of households that are rubbing pennies, her concern was if this was going to negatively affect them.

Supervisor Geraghty said the total assessed value of the Town is $3,414,006.00, this is minimum impact and the argument he heard from the seniors who came in and asked for this was they have paid for sixty five years and do not get any other exemptions. Supervisor Geraghty said this is why he is in favor of this; it is something they can do to help them.

No one else wished to speak. Public Hearing was closed at 7:06 p.m.

PUBLIC CONCERN
Councilperson Baker Marcella said she had been asked by Mrs. Parisi last week to
let people know far enough ahead that on July 4th we will be doing a parade so if you
are part of an organization that would like to march in it please let Sandi or the
Chamber know and equally important is that they are going to be marching to the
Rec. Field and so what they are doing is they are offering to let not for profit of any
kind set up a fund raiser there. Councilperson Baker Marcella said that if you are
part of a group and want to do some fund raising, and, she does think a couple of
groups from school will want to do it, they offered to let them be there, there is no
charge but you do have to let them know what you are going to do, kind of.
Councilperson Baker Marcella said that will be open from 1:00 to 4:00, or
something like that.

Sandi Parisi said the hours would be from noon to 4:00 and that the Chamber has a
form to be filled out.

Councilperson Baker Marcella asked if the forms are on the website. Town Clerk
Combs said the forms are on the Chambers website and that she also has the forms,
as well.

A discussion ensued on the age of the residents in the town, how to know who is over
100 years old, the idea to have residents over 100 years of age be in a car for the
parade, and, people who will be driving older vehicles in the parade.
